

Creative Kids Drama Club

Calling all actors and actresses!!! Please join us for an hour of fun and make-believe! Have you always wanted to be a jungle lioness? Or, maybe you would like to ride a space ship to the moon. Well now is your chance to experience all sorts of adventures!

My name is Dawnn Wagner and I am hosting Creative Kids Drama Club on Mondays, from 1:00-2:00 p.m. I currently hold a Bachelor of Science Degree in Elementary Education. I have taught children ages 2-12, and I am currently the mom of a 3 year old and 5 year old. I love drama and have seen first hand in my classrooms and my home how much children can learn from creative play. And, as a young high school student, I loved the fact that drama club allowed me to express myself through plays and musicals.

Drama improves self-confidence, problem solving skills, and the ability for children to work in a group. For pre-school children drama essentially takes the form of creative play. My hope is to provide your children with the opportunity to express their emotions, thoughts and dreams through the following experiences:

Story telling and dramatization--Children will experience and retell meaningful, age-appropriate literature.

Puppetry Arts--Allows children the opportunity to express themselves using other mediums

Costume and Set Design--Children will create masks, costumes, and learn to improvise with objects (example: using a banana as a telephone)

Body Language and Facial Expression--Children will use their bodies to convey emotion while learning to read cues given by other people's body language.

We are going to sing, dance, and make crafts, all while telling a story and literally putting ourselves in other people shoes!

***Creative Kids Drama Club is for 3 and 4 year old children who are potty trained!**
