

Let's Dance!

Friendship is offering another fun year of a dance enrichment class!

This enrichment class will be focused on teaching some basics of dance and getting these beautiful children moving to the music!

This will be a structured class, exploring classical ballet, creative movement and choreography, and even some fun with line dancing. You can expect an interactive class focusing on basic body positions, rhythm and movement in space, and exploration with different music genres.

The children (boys and girls age 3 and 4), can wear **comfortable clothing**. Please do not send the children in tights, leotards or dance shoes. We will be "dressing out" for the very last class so save their leotards, skirts, tiaras, and boas for the last class! What a treat the final class will be as we demonstrate our skills for moms and dads in an informal 15 minute recital.

My name is CJ Atkins and I have 15 years of dance training with a focus on classical ballet and additional training in jazz, modern dance, and pajama dancing in the kitchen! I have experience with student teaching, choreography and co-coached a cheer team of 6-8 year olds. This is my second year conducting this class and I look forward to another great year. I am also assisting Ms. Suzanne Graves twice a week in the 2/3 combo class.

Class will be offered on Thursdays 1:00 PM to 1:45 PM beginning Sept. 8th through Oct. 5th

Cost is \$56 for a 5 week session and includes an informal recital on the last day of class.
