

# SUPER SCIENCE SLEUTHS

Super Science Sleuths is – S3 – is an exciting science exploration class for preschoolers. Join us as we explore, investigate and discover science all around us. S3 is taught by Greer Wells, a certified science teacher who is also mother to 4 little girls. Each session will focus on a different science field. There will be six classes in this session. This session our focus will be on:

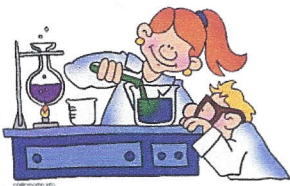

## CHEMISTRY

Thursday 1:00 – 1:45

Session 1 (6 Classes) begins September 8th

\$70 (All materials included)
