

# *Soccer Buddies*

Soccer buddies is a program for boys and girls age 3, 4 and 5 who are fully potty trained. Children will work together to develop large motor skills and the love of soccer. We will accomplish this through many fun activities while having the ball at our feet. Soccer is a fast moving, active sport which can be a lot of fun!

I have played soccer for 18 years and continue to enjoy playing adult soccer. I coached soccer through graduate school and beyond. I worked with children from 3-12 years of age and have my D coaching license through the state of Georgia.

This session of the Soccer buddy program at Friendship will be a 6 week program. We will meet once a week on Thursday's. **The first day will be September 8<sup>th</sup> and we will end on October 20<sup>st</sup>. There will not be practice on October 13th due to school being out.** Practice will be from 1-1:40pm. The cost will be \$65 a child. The children will not need to wear cleats. Tennis shoes will work great. **If they own a soccer ball already please send it with them.** I do have a few size 3 and 4 balls I will bring with me.
